

1 from July 2, 2014, through April, 15, 2018. During all relevant times, Bradford was
2 employed by the Beaverton School District.

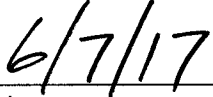

3 2. On May 26, 2015, the Commission received a district report alleging Bradford
4 had violated professional standards related to classroom management and
5 unnecessary physical force with students. Investigation identified the following
6 examples of unprofessional conduct:

7 a. On or about May 6, 2015, in the presence of other 7th Grade students,
8 Bradford addressed a non-compliant 7th Grade student (AT) as a “turd”.
9 Bradford also admonished a group of students, stating something to the
10 effect of “You are acting like a bunch of little shi...” She did not finish the
11 word, but the District concluded that she implied the word “shits.”
12 According to the District, students also reported Bradford physically
13 engaged with student AT, pushing him with her shoulder and hip.
14 Bradford explained she only used her hand to direct AT to his seat. The
15 District also indicated that students reported Bradford pushed student
16 AM who was running towards the doorway. Bradford explained that she
17 put her hand up to stop AM, who ran into Bradford’s hand then
18 dramatically fell to the floor to get attention.

19 b. On May 22, 2015, school officials issued Bradford a “Letter of Reprimand”
20 for violation of local policies related to her conduct, specifically, the use of
21 unprofessional language and inappropriate physical contact with
22 students. On or about September 3, 2015, the district placed Bradford on
23 a plan of assistance based on concerns related to the reprimand of May
24 22, 2015. Bradford successfully completed the plan of assistance on
25 November 30, 2015.
