2. On January 29, 2007, the Commission received a report from Jackson County School District regarding Mr. Breedlove's conduct on "Myspace." The report included information regarding a meeting the district had with Mr. Breedlove on July 26, 2007, in which Mr. Breedlove admitted that the "Myspace" page in question was his and that he posted the content in question on the web page. The content in question included a posting on November 8, 2006, entitled "Guidelines for Male Teachers of Teenage Girls" and a posting made on January 8, 2007, entitled "Underage Girls." The postings, which included numerous sexual references to students, constitute a failure to use professional judgment.

CONCLUSIONS OF LAW

Mr. Breedlove's posting of inappropriate writings about student-teacher relationships on his MySpace page constitutes gross neglect of duty in violation with OAR 584-020-0040(4)(n) ("Substantial deviation from professional standards of competency set forth in OAR 584-020-0010 through 584-020-0030") as it incorporates OAR 584-020-0010(5) ("Use of professional judgment").
